

## **Bellingham Bells Scoreboard Operator (Summer 2018)**

This position will work directly with the front office to operate the Joe Martin Field scoreboard video display during all home games. Candidate should be comfortable with technology, a quick learner, and able to manipulate/edit files in Adobe After Effects.

Responsibilities may include, but will not be limited to:

- Controlling video display during all 2018 Bellingham Bells home games. Working with pre-made templates, coordinate with PA announcer & press box team to make sure proper graphics and information are being displayed at the proper times.
- Editing templates daily to include timely and accurate information.
- Working with Public Address Announcer and Front Office team to follow a detailed game day script that dictates which graphics and videos will be displayed at which times.
- Reports directly to Bells' general manager.

Minimum Required Qualifications:

- Demonstrated experience with technology and video editing software (preferably Adobe After Effects)
- Excellent communication and organizational skills (both written and verbal)
- Basic knowledge of the game of baseball

Compensation:

- Hourly rate based on experience

Hours: 5:30 PM to 9:30 PM (approximately) on all 2018 Bellingham Bells home game dates

Start Date: June 4, 2018

To Apply:

- Email a resume and cover letter to [stephanie@bellinhambells.com](mailto:stephanie@bellinhambells.com)

**About the Bellingham Bells:**

The Bellingham Bells are a summer, wood bat, collegiate baseball team that plays in the West Coast League ([www.westcoastleague.com](http://www.westcoastleague.com)). The Bells play their home games at Joe Martin Field in Bellingham. The mission of the Bells is to provide opportunities, on and off the field, for individuals to chase their dreams.
